

Green Synthetic Grass Turf Landscaping For Weatherproof Outdoor Plastic Lawn Mat

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Yuda
- Certification: IOS
- Model Number: plastic lawn
- Minimum Order Quantity: 10pieces
- Price: Reconsideration
- Packaging Details: roll/packet
- Delivery Time: 3-10days
- Payment Terms: T/T
- Supply Ability: 5000pieces/day

Product Specification

- Product Name: Plastic Lawn
- Key Words: Decorative Artificial Turf Plastic Lawn
- Material: Plastic
- Color: Green
- Size: Various Sizes Available
- Weatherproof: Yes
- Highlight: Outdoor Plastic Lawn Mat,
Weatherproof Outdoor Plastic Lawn Mat,
Green Synthetic Grass Turf Landscaping

Product Description

Synthetic Grass Turf Landscaping Artificial Grass Lawn Mat Outdoor Plastic Lawn

Artificial turf is a type of artificial turf made of synthetic fiber materials, which mimics the shape and texture of natural turf to give it a similar appearance to real turf. It is made of synthetic fibers resembling grass leaves, implanted in a woven base fabric, and coated with a fixing coating on the back

Strong anti-interference ability: No need to worry about insect pests, weed invasion, or the withering of real grass due to insufficient light, maintain cleanliness and beauty for a long time.

High degree of simulation: Modern artificial turf adopts advanced manufacturing technology and has a very similar appearance and texture to natural turf, giving people a comfortable and natural feeling.

Good drainage performance: The bottom structure of artificial turf usually adopts a permeable design, which can quickly drain water and restore use even after heavy rain, without water accumulation affecting use

Model No.:	Unny-2017
Guage:	3/8"
Grass Yarn:	PP+ PE Monofilament,UV resistant
Dtex:	7500
Pile Height:	20mm
Stitches per 10 cm:	17 stitches
Density(number of nodes/sqm)	17850
Roll Width	200cm/300cm/400cm
Roll length	depends on the site size
Water permeability	60lt/min/
Color Fastness	according to the highest standards DIN 54004(min7)approved
UV Stability	according to the highest standards 6000 hrs weather 0 meter test,based on DIN 53387
Waranty	6-7 years
