

Extruded Plastic Flat Nets Hdpe Poultry Flat Net Plastic Net

Our Product Introduction

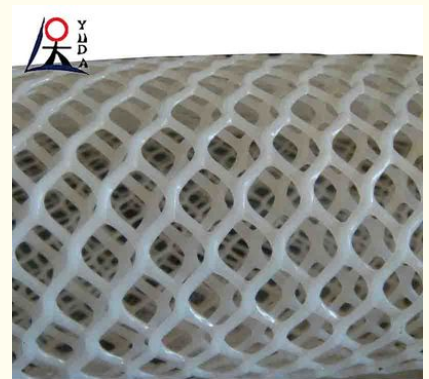

Basic Information

- Place of Origin: CHINA
- Brand Name: YUDA
- Model Number: Plastic flat net
- Minimum Order Quantity: 100 Square Meter
- Price: Further discussion based on quantity
- Packaging Details: Customized according to buyer's requirements
- Delivery Time: 3-10 day
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 200000 Square Meters/ day

Product Specification

- Product Name: Plastic Net
- Keys Words: 400g White Black Pe Plastic Net Chicken Net Garden Net Mesh
- Color: Black, White, Green, Orange, Red Or Customized
- Material: HDPE
- Hole Shape: Diamon, Square, Hexagonal Etc.
- Usage: Multi-purpose
- Processing Servic: Cut, Edge Sealing
- Length: Customization
- Highlight: **HDPE poultry flat net, extruded plastic netting, plastic flat net for poultry**

Product Description

Extruded Plastic Flat Nets Hdpe Poultry Flat Net Plastic Net

Plastic flat mesh are also called plastic extruded nets and plastic breeding nets. It is made of HDPE,PP plastic particles that are heated and melted, extruded through an extruder, and then cooled and shaped. Plastic flat mesh has the advantages of wear resistance, corrosion resistance, high toughness, good transparency, light weight and long service life.

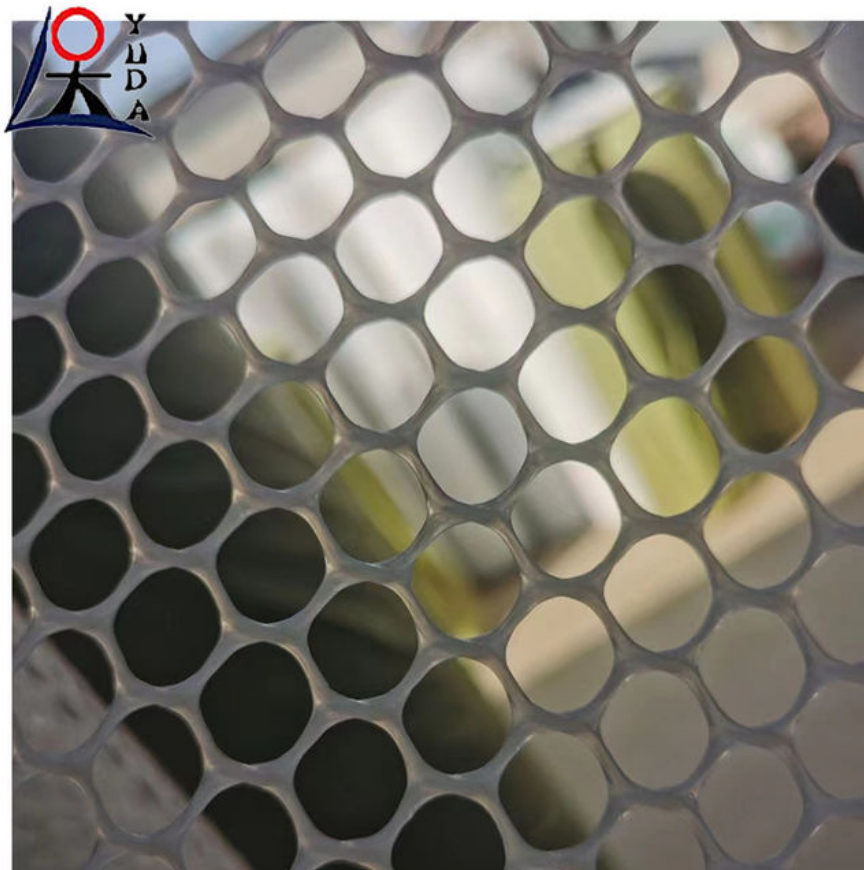

Plastic flat mesh (also known as plastic net) of plastic raw materials in the extruder heating melt, through the extrusion into a number of holes and die special rotating head, molten plastic flows through the die opening pore formation of two shares of melt wire, due to head rotation, two strand of wire discontinuous converging at a point, to form a network, then cooling shaping into network.

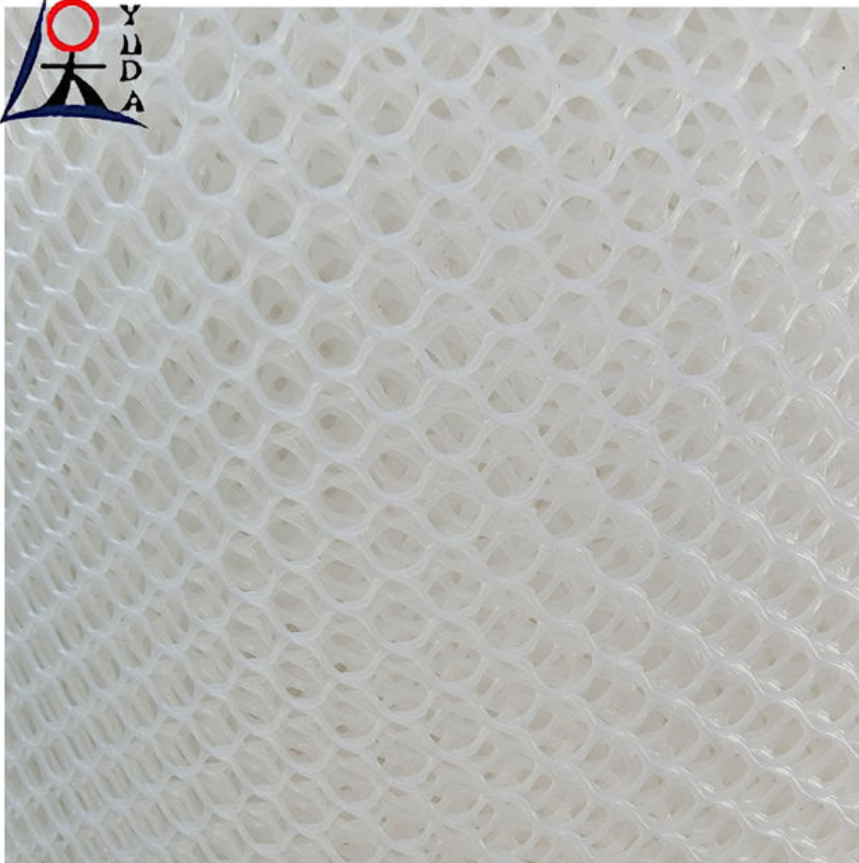

Our advantage

1. sincere service
2. High quality product
3. Competitive price
4. Perfect service
5. Fast delivery

also known as plastic flat mesh and plastic breeding netting. It is made of high density polyethylene, polypropylene as raw material and added with other additives. It has the advantages of corrosion resistance, light weight, long service life, no poison and no taste.also known as plastic flat screen and plastic breeding netting. It is made of high density polyethylene, polypropylene as raw material and added with other additives. It has the advantages of corrosion resistance, light weight, long service life, no poison
